MEſſieurs ; n'ayant autre moyen de vous monſtrer, combien je ſuis deſireux de vous faire ſervice, j'ay prins la hardieſſe vous preſenter ce mien petit labeur, lequel vous prendrez, s'il vous plaiſt, en gré : Oultre le Dictionaire, auquel je penſe avoir comprins tous le mots, ou la plus grande partie, de la langue Angloiſe ; j'y ay mis à la fin, quelques courtes reigles, pour vous aider à prononcer icelle langue ; & auſſi tous les Verbes anomales, que j'ay peu amaſſer. Je pourray avoir failli en quelques endroits : car ou trouvera-on, ça bas, tant de perfection, qu'il n'y a rien a dire ? Mais j'eſpere que les fautes ne ſont de telle nature, qu'elles ne ſoyent facilement pardonnables, par voſtre grande courtoiſie ; a laquelle je me recommende.

TO THE
ENGLISH READER:

IT could not be expected in ſo ſmall a volume, as I was inforced to contract my ſelfe into, that (in this Engliſh Dictionary) I ſhould ſhew the Genders of all French Nounes, and the Conjugation of all French Verbes, which are moſt ſufficiently and at large already done by M. COTGRAVE; to whom I referre you. In giving the French interpretation to the Engliſh words, I have, for the moſt part, obſerved to ſet down firſt the Proper; then, the Tranſlated and Metaphoricall. Wherin, if yee ſhall reape that profit by my paines, as may procure your fauourable acceptance, I have my full wiſh.

ROBERT SHERVVOOD.

A Caution to the Reader.

IN this Engliſh-French Dictionary 'tis to be obſerv'd, that thoſe French words which are obſolete, and out of uſe, are printed in a Roman *Letter, to diſtinguiſh them from thoſe words which are ſterling, and now current among the French Nation; all which are to be found in the* Italic *Letter. Moreover divers errors in the former Dictionary are rectified.*
